

UC Pumas FC – Registration 2019

Capital Football are using a new registration system – **Play Football**. Please make sure you read the information to ensure you register yourself for the 2019 season properly. This guide is a step-by-step on how to register.

Please follow this link to begin your registration [UC Pumas FC](#)

1. Select *Get Started*.

2. Create your football account:

Unless you have never registered with a football club in Australia before, you need to claim your existing profiles from MyFootballClub (the former registration system).

Make sure you use the **same email address** you used on MyFootballClub to link to your new registration account. You will not be able to claim your history if you do not use the same email address.

You only need to enter your details and claim your account on the first time you use this site. You then only need your email address and password to log in.

The screenshot shows the 'Create your Football Account' page. At the top, it says 'Your Football Account is one account that lets you connect with all of the Football Network in Australia.' Below this is a link for 'ALREADY HAVE AN ACCOUNT?'. A box titled 'BEFORE CREATING YOUR FOOTBALL ACCOUNT' contains two sections: 'Registered to Football before?' with a warning about email mismatches, and 'Parent or Guardian?' with instructions to register in the parent's name. There are social login options for Facebook and Google. Below are input fields for 'First Name *', 'Last Name *', and 'Email Address *'.

3. Select the person you are registering for:

Play Football allows you to link your account to any dependants that you may be registering on behalf of. If you have children who have previously been registered under your email address, you can link them on this page.

If you are registering yourself, please select that option to progress your registration.

The screenshot shows the 'Select the person you are registering for' page. It has a 'Logout' link in the top right. A progress indicator shows the current step. The page is divided into two sections: 'I am registering myself' with a radio button and 'I am registering a new person' with a radio button. Under 'I am registering a new person', there is a dropdown menu set to 'CHILD' and a checkbox for 'Link this participant to my account'. A blue information box at the bottom states: 'If the person you are purchasing the product on behalf of is not shown, you will need to: Login as that person - or Login to your account and link the person record to your account (record must have the same email address as yours to be able to link)'. A 'Continue' button is at the bottom.
